

IN THE
SUPREME COURT
OF THE
COMMONWEALTH OF THE NORTHERN MARIANA ISLANDS

IN RE THE NORTHERN MARIANA ISLANDS SUPREME COURT RULES:
RULES OF ADMISSION

SUPREME COURT NO. 2013-ADM-0036-RUL

ADMINISTRATIVE ORDER

¶ 1 On May 27, 2013, the amendments to the *Northern Mariana Islands Supreme Court Rules: Rules of Admission* (“Rules”) became effective. The Rules purport to adopt the Uniform Bar Examination (“UBE”) and according to the Rules, the UBE will be the bar examination administered in this jurisdiction beginning in February 2014. The Rules anticipate reciprocity with other UBE jurisdictions; that is, scores earned in other jurisdictions which administer the UBE will be applicable in the Commonwealth and scores earned in the Commonwealth would be portable to other UBE jurisdictions. However, at this time, the Commonwealth does not recognize UBE scores earned in other UBE jurisdictions. Therefore, scores earned on the Commonwealth UBE are likewise not recognized by other UBE jurisdictions.

¶ 2 All portions of the UBE will still be administered in the Commonwealth in accordance with UBE standards and as described in the Rules. However, until such time that the Commonwealth agrees to reciprocity with other UBE jurisdictions, the National Conference of Bar Examiners will not identify scores earned on the Commonwealth UBE as portable to other jurisdictions.

¶ 3 Therefore, any portion of the Rules which purport to create a portable UBE score are hereby suspended. Further, any portion of the Rules which indicate that the Commonwealth is administering

the UBE to the extent that language represents portable scores and reciprocity, are also suspended.

ORDERED this 19th day of December, 2013.

- (a) Authority. These rules are promulgated pursuant to Article IV, Section 9 of the Constitution of the Northern Mariana Islands.
- (b) Scope. These rules govern the admission into the Commonwealth Bar Association and supersede any conflicting rules. These rules shall become effective on August 1, 2011 and shall have no retroactive effect.
- (c) Forms.
 - (1) All forms referenced herein refer to the forms contained within the Appendix of Forms. Unless otherwise noted, all forms contained in the Appendix of Forms are maintained by the Commonwealth Supreme Court and may be modified by the Court at any time without notice.

Notes

- [1] Portions of these Rules, such as the method of notification of bar examination results, letter of licensure procedures, and review of board decisions, will be applicable to applicants who take the July 2011 bar examination. However, for July 2011 bar examination takers, the application procedures, administration and content of the July 2011 bar examination, and eligibility for the bar examination will be governed solely by the previous Rules of Admission.

Rule 70-2. Board Membership

- (a) The Board of Bar Examiners (the “Board”) shall be composed of the chief justice and associate justices of the Commonwealth Supreme Court, the presiding judge of the Commonwealth Superior Court or his/her designee, and the President of the Commonwealth Bar Association or his/her designee. The chief justice or his/her designee shall serve as the Chairperson of the Board (the “Chairperson”).
- (b) The Board or its designee shall appoint a Bar Administrator who shall serve as a non-voting member of the Board and as the secretary-treasurer of the Board.

Rule 70-3. Powers and Duties of the Board

- (a) The Board is charged with the duty and vested with the power and authority to:
- (1) Investigate and examine all persons who initially apply for admission to the CNMI Bar Association (the “Bar”);
 - (2) Determine eligibility, including the determination of the character and fitness of the applicant, for admission to the Bar;
 - (3) Provide for and conduct the Commonwealth bar examination (“bar examination”);
 - (4) Adopt suitable regulations and policies consistent with the Rules of Admission (the “Rules”) which have the same force and effect as any other provision of these Rules;
 - (5) Subpoena and administer oaths and to take testimony under oath in cases of applicants for admission to the Bar;
 - (6) Establish and maintain a fee schedule; and
 - (7) For good cause, suspend any provision of these rules in a particular case and order proceedings as it directs.

Rule 70-4. Meetings; Quorum

- (a) The Board shall meet at least three (3) times each year at such times and places as its Chairperson shall determine for the purpose of investigating, examining, hearing and passing upon the qualifications of applicants for admission to the Bar and to transact such other business as may come before the Board.
- (b) Three (3) members of the Board shall constitute a quorum. The action of a majority of the members present at a meeting at which a quorum is present shall be the action of the Board.

Rule 70-5. Authority of the Chairperson

Any action taken by the Board may, when the Board is not in session and time is of the essence, be taken by the Chairperson, or their designee, alone. The Chairperson shall promptly notify the members of the Board of such action and such action shall be subject to confirmation at the next regular meeting of the Board. However, Pro Hac Vice Admission pursuant to Rule 73-1 and other admissions to the bar pursuant to Rule

73-3 are not subject to confirmation by the Board, but may be reviewed by the Board at the request of any voting Board member.

Rule 70-6. Records

- (a) The Board shall maintain records generated in the course of accepting and processing applications for certification of fitness to practice law, as well as records generated in accepting and processing applications to take the bar examination and results of having taken the bar examination. Only the following records, provided in this section, shall be maintained as public records, and no other records shall be deemed public records.
 - (1) With respect to applications for certification of fitness to practice law: name and address of each applicant.
 - (2) With respect to applications to sit for the bar examination: name and address of each applicant.
 - (3) With respect to each bar examination: the names and addresses of persons who passed the bar examination and such statistical summaries as may be specifically authorized by the Board.
- (b) All other information provided by or obtained with respect to an applicant for certification of fitness to practice law or to take a bar examination shall be considered confidential and privileged communication and shall not be released to any person or agency; except, however, in those instances where a hearing with respect to an application for certification of fitness to practice law is to be held. Information and documents obtained by the Board pursuant to its investigation and relevant to the specifications issued by the Board may be disclosed to the applicant, the applicant's legal counsel, and to the Chairperson's designee appointed to conduct the hearing, if there is such designation.
- (c) Information provided by or obtained with respect to an applicant for certification of fitness to practice law may be disclosed to the bar admissions authority of any United States jurisdiction where the applicant may apply for admission to the practice of law. Upon request, the name, address, date of birth, and social security number of each applicant for certification of fitness to practice law may be furnished to the National Conference of Bar Examiners (the "NCBE") for dissemination to the bar admissions authority of any United States jurisdiction. Moreover, an application for certification of fitness to practice law and application to take the bar examination may be released to the hearing counsel of the Commonwealth Bar Ethics Committee in disciplinary matters. All other information and records may be disclosed as provided by order of the Court.

- (d) The Board may, as it deems reasonably necessary, disclose information relating to:
 - (1) A specific applicant to sources contacted during the Board's character and fitness investigation; and
 - (2) Disciplinary or admissions authorities in other jurisdictions when the information relates to possible unethical conduct by a lawyer licensed or a person applying for licensure to practice in that jurisdiction.

- (b) Any contact regarding bar examination results or admission concerns shall be directed to the Bar Administrator or the Supreme Court Clerk of Court. All other contact, by telephone or otherwise, with members of the Board or with graders of the bar examination by an applicant or his/her representative is prohibited.

Rule 70-8. Immunity

The Board, its members, the Bar Administrator, and the Clerk of the Supreme Court, shall be immune from civil suit in the same manner as members of the judiciary in the Commonwealth for any conduct or communication in the course of their official duties. "Official duties" for the purpose of this Rule includes but are not limited to any conduct or communication involving or relating to the bar examination, the character and fitness qualification review and investigation, and any other conduct involved in the licensing of persons seeking to be admitted to the practice of law in the Commonwealth.

RULE 71 – REQUIREMENTS FOR ADMISSION TO THE BAR

Rule 71-2. Educational Requirements

- (a) Qualifying Education. An applicant must have graduated with a Juris Doctor ("J.D.") degree from a law school within the United States, its territories, or possessions and which is accredited by the American Bar Association (the "ABA") at the time of the applicant's graduation. Rule 71-3. Application and Forms

- (a) Application for Admission by Examination. The Board shall prepare and publish suitable application forms for admission by bar examination under Rule 72 herein, and may require that the applications be accompanied by appropriate evidence that the applicant meets all criteria contained herein.

Rule 71-4. Application Deadlines

- (a) Deadlines specified are rigidly adhered to. Unless otherwise indicated, the date of filing is the postmark date for non-electronic correspondence and the date of submission for electronic correspondence.
- (b) Regular Filing Deadline. To be considered timely filed, applications for admission to practice law, as defined in Rule 71-3(b) herein, must be filed with the Bar Administrator, along with the required fees, no later than May 22 for the July bar examination of the same year and

no later than December 22 for the February bar examination of the following year.

- (c) **Late Filing Deadline.** Applications for admission to practice law, as defined in Rule 71-3(b) herein, may be filed with the Bar Administrator after the regular filing deadline, along with the required fees, no later than June 5 for the July bar examination of the same year and no later than January 5 for the February bar examination of the same year. All applications filed after the regular filing deadline and within the late filing deadline will be subject to an additional late fee.
- (d) **Determining the Date of Filing.** Applications are not considered filed until all information required under these rules, except as excused by Rule 71-2(b) and Rule 71-5(a)(1) herein, has been transmitted pursuant to 71-4(a) and all required fees have been paid pursuant to Rule 71-6 herein.
- (e) **Incomplete or Deficient Applications.** Applications filed prior to the timely filing deadline which are incomplete or otherwise deficient may be returned but may be re-filed prior to the late filing deadline. Upon receipt of the application, the Bar Administrator shall make every effort to timely return incomplete or deficient applications; however, it is the applicant's responsibility to submit a proper and complete application. The Board or Bar Administrator bears no responsibility for not immediately returning an application, received prior to the timely filing deadline, within enough time for said application to be re-filed without incurring a late fee.

Rule 71-5. Application for Character and Fitness Report

- (a) **Application.** Every applicant for admission by bar examination, as required by Rule 72 herein, shall file with the Bar Administrator a written application for character and fitness report and shall pay the prescribed non-refundable fee, except as provided in Rule 71-5(a)(1) herein. The application for character and fitness report shall be filed concurrently with other application documents and consists of those forms described in Rule 71-3(b) herein.
 - (1) **Exception to Requirement.** Applicants for admission by bar examination shall not be required to file a new application for character and fitness report nor pay the prescribed fee if sixty (60) months or less have passed since the date the application was initially filed in this jurisdiction. Character and fitness reports prepared for use in other jurisdictions will not be considered.

- (b) Continuing Obligation. The application for character and fitness report is a continuing application, and applicants have a continuing obligation to file a written update within thirty (30) days of any change to any information provided or sought in the application.
- (c) Provisional Admission Pending Report. An applicant may be provisionally admitted to the Bar if all other admission requirements have been satisfied but a final character and fitness report is pending. Such admission is provisional, however, and any subsequent decision to revoke admission shall be treated as if the candidate was initially denied admission. Any orders of provisional admission shall be expressly conditioned upon the Board's subsequent certification of the person's character and fitness to practice law.

Rule 71-6. Fees and Refunds for Admission by Bar Examination

- (a) Fees. All fees for the bar examination shall be paid pursuant to procedures and policies which are established by the Board. Fees for the Multistate Bar Examination and the Multistate Professional Responsibility Exam, which are set by the National Conference of Bar Examiners, must also be submitted to the Bar Administrator at the time the application is filed and shall be made payable to the National Conference of Bar Examiners.
- (b) Current filing fees are available at the Northern Mariana Islands Judiciary's official website. Any modification of the fee schedule must be determined by the Board at least 180 days prior to the bar examination upon which the new fee is to be assessed.
- (c) Refunds. The bar examination application fee is non-refundable. However, in limited exigent circumstances and upon petition to the Board, fees paid by the applicant may be applied to a subsequent bar examination.

RULE 72 – THE BAR EXAMINATION; ATTORNEY'S EXAM; AND MULTISTATE PROFESSIONAL RESPONSIBILITY EXAMINATION

Rule 72-1. The Bar Examination

- (a) Approval to Take Examination. The Board shall notify applicants who apply for the bar examination or Attorney's Examination, as provided in Rule 72-2 herein, by email, to the email address provided by the applicant in the application, as to whether the applicant has been approved to take the bar examination as soon as is practical to do so after all application materials and fees in accordance with Rule 71 herein have been received by the Bar Administrator.

- (1) If the investigation as to character and fitness, or the determination of eligibility for admission of an applicant who is taking the bar examination, is not complete at the time of the bar examination, the Board may permit the applicant to take the bar examination. Such permission, whether express or implied, does not constitute evidence of approval either as to an applicant's character and fitness or eligibility for admission.
- (b) Bar Examination Content. The bar examination includes two (2), thirty (30) minute essay questions based on local law ("Local Content Essays" or the "LCE") and the Uniform Bar Examination (the "UBE") prepared by the National Conference of Bar Examiners ("NCBE"). The applicant must take and pass all portions of the UBE and the LCE exam within the same 18 month time period.
 - (1) UBE. The UBE consists of six (6), thirty (30) minute Multistate Essay Examination ("MEE") questions; two (2) ninety (90) minute Multistate Performance Test (the "MPT") tasks, and the Multistate Bar Examination (the "MBE").
 - (A) Topic areas which the MEE and MBE may test on are determined by the NCBE and are available at the NCBE's official website.
 - (2) Local Content Essays. Local content essay questions shall cover such subjects as the Board may prescribe and those topics may be announced at least thirty (30) days prior to the LCE exam date.
 - (A) The Board may provide all applicants with a list of local authorities in order to prepare for the Local Content Essays. The authorities will be provided to the applicants for preparation purposes only. Applicants are not permitted to consult with these authorities during the bar examination.
- (c) Time and Location.
 - (1) The UBE. The Board shall conduct two bar examinations annually to administer the UBE in February and July, each of which shall be held at the Guma' Hustisia or such other location as the Board may designate. Each bar examination shall be conducted on any two successive days and shall be scheduled so as to coincide with the administration of the MBE prepared by the NCBE. One of the two days will be dedicated to the MBE while the other day will be dedicated to the MEE, MPT and LCE. All portions of the UBE must be taken and passed in the same exam administration, except as provided in Rules 72-1(e) and 72-2.

- (2) Local Content Essays. Essays based on local law shall be administered at least twice a year, each of which shall be held at the Guma' Hustisia or such other location as the Board may designate. The LCE may be taken at any time that the LCE is offered but the applicant must comply with the time constraints provided herein.

(d) Grading.

- (1) UBE. Raw scores earned in the MEE and the MPT portions of the bar examination are combined and scaled to the MBE to calculate scaled essay scores. MBE scores are weighted 50%, MEE scores are weighted 30%, and MPT scores are weighted 20% in calculating scaled total scores, which are expressed on a 400-point scale. This UBE total score is portable to other UBE jurisdictions. A UBE total score of at least 260 is required to pass the UBE.
- (2) Local Content Essays. Local Content Essays are expressed on a forty (40) point scale. A raw score of at least 65% is required to pass the LCE .
- (3) An applicant must earn a passing score on the UBE and a passing score on the LCE within the same 18 month time period in order to pass the bar examination.
- (4) Regrading. All test scores which are within five (5) points of a passing grade shall be automatically regraded by a different grader prior to the release of the examination results. No other circumstances will give rise to a regrade and bar examinations will not be regraded at the request of the applicant.

(e) Waiver of UBE or MBE Requirements.

- (1) If the applicant has taken the MBE within the preceding three (3) years of the bar examination for which the applicant applies, and has attained a scaled score of 130 or higher, the applicant does not have to retake the MBE. The applicant must earn a raw score of at least 65% on the MEE and MPT and a raw score of at least 65% on the LCE to pass the bar examination.
- (2) It is the responsibility of the applicant to have the NCBE, or the jurisdiction holding the score, to forward the applicant's MBE score to the Bar Administrator by February 1 for the February bar examination of the same year and by July 1 for the July bar examination of the same year. If the transferred MBE score is not timely certified, the applicant may be required to sit for the MBE portion of the bar examination.

- (3) Applicants who rely upon a previously earned MBE score will not earn a portable UBE score that can be used to seek admission in other jurisdictions.
- (4) If the applicant has taken the UBE in another jurisdiction within the preceding three (3) years of the bar examination for which he or she applies, and has attained a scaled UBE total score of 260 or higher, the applicant may transfer the UBE total score to this jurisdiction and take only the LCE. The applicant must earn a raw score of at least 65% on the LCE to pass the bar examination. It is the applicant's responsibility to have NCBE forward the applicant's UBE score to the Bar Administrator within 45 days after the filing of the application.

(f) Administration of the Bar Examination.

- (1) All answers to the MEE, MPT and local content essay questions shall be written on the bar examination paper which will be distributed during the bar examination. All applicants are required to write legibly. If an applicant's handwriting cannot be read, it may adversely affect the grading of the essay.
- (2) The bar examination of each applicant shall be completed in such a manner that no part of an applicant's bar examination is identifiable by name to members of the Board or exam graders.
- (3) The Bar Administrator shall appoint a sufficient number of monitors to ensure the bar examination is conducted in an orderly and expeditious manner and to ensure no applicant gives or receives aid in taking the bar examination. To facilitate the orderly administration of the bar examination, applicants who arrive at the designated testing site after the bar examination has begun will be barred from entry and will not be allowed to participate in that block of testing.
- (4) To avoid distracting other applicants, persons sitting for the bar examination must ask any questions of the test administrator(s) prior to the commencement of the bar examination; no queries will be entertained when the bar examination is underway.
- (5) The Board shall establish any other rules and regulations necessary to ensure the security and integrity of the bar examination before, during, and after it is administered.
- (6) Any Board member or the test administrator may exclude any applicant from the bar examination who is disruptive or uncooperative.

- (7) Each applicant shall, by taking the bar examination, be deemed to have sworn the following with respect to each question: “I solemnly swear or affirm that I have no previous information as to the contents of the questions upon which I have been examined and that I have not received directly or indirectly, from any source whatever, any assistance, but that I wrote the answer exclusively from my knowledge.” The applicant may also be required to write or type out the above oath and sign his or her signature attesting to the truth of the statement during any part of the bar examination.
- (g) Examination of Applicants with Special Needs. The Board shall take all reasonable steps to facilitate the bar examination of applicants with a special need or special needs. Applicants with a special need or special needs must notify the Board of any reasonable accommodation(s) needed by submitting Form “H.” Absent good cause, such notification shall be filed at the time of the application but in no event later than thirty (30) calendar days prior to the first day of the bar examination. The applicant may be required, as needed, to provide appropriate documentation to the Board. For the purpose of this Rule, “special need or special needs” means physical or mental impairment that substantially limits one or more of the major life activities of such individual.
- (h) Notice of Bar Examination Results. The Board shall notify each bar applicant, by the email address provided by the applicant in the application, whether the applicant passed the bar examination as soon as practicable. The names of those applicants who pass the bar examination may be made publicly available.

Rule 72-2. Attorney’s Exam

- (a) Attorney Applicant. Those qualifying as attorney applicants may apply to take the Attorney’s Bar Examination (“Attorney’s Exam”). The applicant has the burden of establishing to the Board that they are qualified to take the Attorney’s Exam. An applicant may apply to take the Attorney’s Exam if:
- (1) The applicant is an attorney licensed to practice in any of the states, territories or possessions of the United States; and
 - (2) The applicant has been in the active practice of law for at least five (5) of the last ten (10) years.
- (b) The Application. In addition to the requirements contained in Rule 71, the applicant shall provide the Bar Administrator with a current Certificate of Bar Admission and a current Certificate of Good

Standing from every jurisdiction from which the applicant is admitted. The application shall also include a declaration from the applicant which states with specificity the type of work, the dates the work was completed, and that such work qualifies as the active practice of law.

- (c) The Examination. The Attorney's Examination consists of the MEE, MPT, and the LCE as described in Rule 72-1(b), (c) herein. Attorney applicants do not have to take the MBE. Attorney applicants may be required to take the Multistate Professional Responsibility Examination as directed in Rule 72-3 herein. The applicant shall earn a raw score of at least 65% on the MEE and MPT and a score of at least 65% on the LCE to pass the bar examination. The MEE, MPT, and LCE must be taken and passed within the same 18 month time period.
- (d) Determination of Active Practice of Law. The Board shall determine whether the attorney applicant has satisfied the required number of years of the active practice of law and notify the applicant fifteen (15) days after the application is submitted if they do not qualify. If the Board finds that an applicant does not qualify to take the Attorney's Exam, the applicant may apply to take the regular bar examination, and the original date the Attorney's Exam application was submitted shall be used to determine the date of application for the regular bar examination. The difference in fees for the Attorney's Exam and the regular bar examination shall not be refunded and the applicant must timely submit proper fees in accordance with Rule 71-6(a) herein for the MBE examination.
 - (1) The "practice of law" is a term of art. Though no broad rule can be drawn to define the "practice of law," it connotes more than merely working with legally related matters.
 - (2) The applicant bears the burden to prove he or she has been engaged in the full-time practice of law such that the applicant's professional experience and responsibilities are sufficient to satisfy the Board that the applicant should be admitted under this Rule.

Rule 72-3. Multistate Professional Responsibility Examination

- (a) The Board shall require each applicant to pass the separately administered Multistate Professional Responsibility Examination (MPRE) with a scaled score of 80 or higher.
- (b) The MPRE may be taken prior to or after the bar examination. An applicant must pass the MPRE examination within three (3) years before the bar examination or obtain the results of the MPRE within

six months after taking the bar examination in order to comply with the time restrictions prescribed in Rule 75-2(a) herein. It is the responsibility of the applicant to have the NCBE timely forward the score to the Bar Administrator.

- (c) Should an applicant need to take the MPRE in the Commonwealth, he or she must apply directly to NCBE and pay any prescribed fees directly to NCBE. Application and fee information is available at the NCBE's official website.
